About the seminar series

The Australian Breastfeeding Association invites you to sponsor our Annual Health Professional Seminar Series 2027.

Health professionals trust the Australian Breastfeeding Association (ABA), Australia's leading authority on breastfeeding and a Registered Training Organisation (RTO), to provide them with the latest evidence-based research and developments on breastfeeding.

The Annual Health Professional Seminar Series 2027 is ABA's flagship event of the year. Featuring an array of highly respected speakers, the series will attract hundreds of health professional delegates across Australia.

Delegates can choose to attend a live one-day seminar in Sydney, Brisbane, Melbourne or Perth or register exclusively for the online program. The online program will run from 31 March to 31 May 2027. It consists of presentations recorded at the live seminars as well as additional pre-recorded presentations.

Delegates attend this seminar for their professional development, networking and to gather information on useful, ethically sound products and services to share with colleagues and recommend to the families they support. Sponsorship of the Annual Health Professional Seminar Series provides the perfect opportunity to promote your brand to a diverse group of health professional influencers, as well as illuminating your organisation's commitment to evidence-based practice.
