The Australian Breastfeeding Association offers professional development eLearning modules to help you engage in best-practice breastfeeding support for mothers and their support networks.

Learning content is presented in a variety of engaging formats via our Learning Management System (LMS), including video presentations with expert speakers, quizzes and interactive modules.

Can't find what you need? Ask us to design or customise modules or workshops to suit your workplace, delivered online or face to face: ***training@breastfeeding.asn.au***

Continuing professional development (CPD) hours

eLearning modules with CPD hours listed are **Australian College of Midwives CPD Endorsed Activities**.

Modules may help fulfil CPD requirements for a range of other professions.
