## About group projects

Many local groups in the Australian Breastfeeding Association (ABA) produce quality items for sale. This helps them boost their group finances, bond their group and carry on the work of ABA in their local area.

Group projects:

- Promote ABA
- Educate families and the community
- Support the work of the Australian Breastfeeding Association
- Improve the efficiency and presentation of ABA services.

### Prices

Please note that all prices quoted are current at the time of publication. All prices are in Australian dollars and postage prices for outside Australia are available on application from the group. Postage may be subject to change if prices rise after publication.

### Ordering

Please contact the group by the email, phone number or website listed to confirm availability and price. Invoices are available

with most groups accepting direct deposit payments and a few accepting payment by credit card. All orders are sent once payment has been received.

### Ordering from outside Australia

Please contact the group by email to confirm availability and price. **All postage prices listed are for postage within Australia only.** Postage is charged at cost for orders mailed outside of Australia. All orders are sent once payment has been received.

## Breastfeeding necklace

This colourful and interesting breastfeeding necklace can help entertain baby while feeding, allowing for a longer, more peaceful feed. Advantages of a breastfeeding necklace:

- Occupies baby's hands, away from your hair or skin or clothes
- Keeps baby's attention focused on the breast area
- Dissuades baby from pulling away at distractions, resulting in longer more filling feeds
- Acts as a soothing and familiar object, thus aiding other caregivers to feed your baby
- Can be used when weaning to signal when it's time for a breastfeed
- Aids tactile and visual stimulation, promoting cognitive development
- Improves hand to eye coordination and tracking
- Aids development of depth perception

- Develops colour and size recognition and can be used as a learning tool. Great for eye spy when they are older ('Where is the red bead?')

Got twins? We can help with our longer twin necklace so two can share comfortably. Have a young child who loves to copy mum by feeding teddies and dolls? Our kids' necklace is perfect for them.

**Prices:** **\$20.00**  
**\$25.00** twin length  
**\$8.00** kids' length
